If you are a new SACS family, the enrollment commitment fee remains \$150.

Application Process for Financial Assistance Consideration (K-8th grade ONLY)

We understand that the cost of Catholic education can be a great concern to families. Some families are torn between their desire to offer their children a Catholic education and the potential strain it may have on their finances. Many families make tremendous sacrifices to send their children to Shakopee Area Catholic School. For our K-8 families in greatest need, we may be able to offer assistance with their tuition obligation. Financial assistance funds are supported by the generosity of our parish, community, and non-profit organizations, such as Aim Higher Foundation and Catholic Services Appeal Foundation (CSAF).

Shakopee Area Catholic School uses TADS, a tuition/financial aid management system, to assess your family's financial need. Families that are requesting financial assistance must complete a separate application for financial assistance through TADS once their Tuition Agreement is completed. TADS charges a \$42 processing fee to apply for financial assistance.

The financial assistance application is open on TADS through February 23. Families who apply for financial assistance by February 23 will be given priority consideration. Award notifications will be sent to families via email in late March. Please contact Nikki Giel at ngiel@sacsschools.org or 952-445-3387 ext 164 with any questions.
